Mr. Samuel Unger, PE;

Pursuant to your request concerning oil and gas drilling sumps, see below.

Item 1. HBOC/E&B has no current drilling or production sumps, intended for the disposal/discharge of oil production or well completion fluids to land at its HBOC operating locations.

Item 2. HBOC/E&B has not closed or abandoned any sumps at the HBOC facilities.

Item 3. HBOC/E&B has no historic discharge volumes.

Item 4 and Item 5. None.

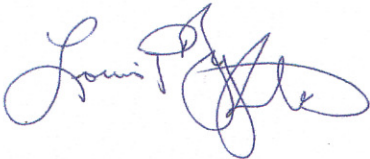

Item 6, Item 7, and Item 8. With regards to current water wells, again we have no sumps or ponds, intended for the disposal/discharge of oil production or well completion fluids to land.

Item 9. We have no monitoring wells at the HBOC facility.

I, Louis P. Zylstra, Jr. PE certify under penalty of law that I have personally examined and am familiar with the information submitted in this document and all attachments and that based on my inquiry of the those individuals immediately responsible for obtaining information, I believe the information is true, accurate, and complete.
