Subject: Investigative Order No. R4-2015-0406

Dear Joshua,

Oil Operators Inc. is requesting a 45 day extension in responding to the Investigative Order that we received a few weeks ago.

The regulatory consultant that handles such matters for OOI has been under an extreme work load due to current Storm Water filings as well as many other regulatory filings, etc. that have become due around this time.

He has not been able to get the response completed.

I thank you in advance for your cooperation.

Regards,

Kevin Laney

President
