RE: Request for 30-day Extension

Dear Mr. Cwikla:

This note is a follow-up to our phone conversation this morning to request a 30-day extension to provide information in accordance with the California Water Code section 13267 Order No. R4-2015-0413. The directive was received over the holidays and it's just come to my desk this week. In order to provide accurate information, please allow Warren an additional thirty days to assemble the data package. Thank you for your cooperation and consideration of this request. If there are any questions, please don't hesitate to give me a call at 562 685-9078.

Sincerely,

A handwritten signature in blue ink that reads "Diana Lang". The signature is written in a cursive, flowing style.
