Dear Mr. Cwikla,

In response to Investigative Order No. R4-2015-0443 dated 12/18/15, Astarta Alexander Oil Company certifies it has had no occurrences of oil discharges during the period of its ownership and operation of its oil field, and there have been no subsidiaries during that period. All produced water is disposed of by way of three gravity-feed injection wells.

I, Bob Dent, as authorized representative, by my electronic signature below, certify under penalty of law that I have personally examined and am familiar with the information submitted in this document and that, based upon my being the individual immediately responsible for obtaining the information, I believe that the information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including fine and imprisonment.

Respectfully submitted,

/s/ Bob S. Dent
