

## PERCHLORATE PUBLIC ADVISORY GROUP MEETING

### CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD - LOS ANGELES REGION

Thousand Oaks Civic Arts Plaza-Scherr Forum Theater  
2100 Thousand Oaks Boulevard, Thousand Oaks

August 20, 2003

7:00 to 9:00 PM

#### *Focus and Purpose*

*The LARWQCB Perchlorate Public Advisory Group (PPAG) exists to: 1) provide an informal forum for the exchange of information about perchlorate, its impact to surface and groundwaters in Los Angeles and Ventura Counties, and contaminant control and remediation technologies; and 2) provide participants with information which will be helpful when developing, coordinating and implementing strategies to prevent, identify, control or remediate surface or groundwater contamination.*
