Subject: Semi-annual reporting – June 15, 2016 (July 2015 - December 2015 reporting period)

Dear Mr. Ridgeway:

The City of El Monte's Integrated Monitoring Program (IMP) was conditionally approved on December 21, 2015. As directed in the Regional Water Board's letter dated December 21, 2015, the City began implementation of their IMP prior to January 20, 2016.

The City's IMP implementation commenced within the January 2016 - June 2016 reporting period, therefore there is no data to submit for the June 15, 2016 semi-annual reporting period.

The City's Outfall Monitoring, collaborative Receiving Water Monitoring, and TMDL Monitoring results will be reported in the Annual Report and submitted prior to December 15, 2016. If there are any further questions, please do not hesitate to contact our office at 626-580-2058.

Sincerely,

Elaine Jeng, P.E.
Public Works & Utilities Director
