Mr. Sam Unger
Interim Executive Officer
Los Angeles Regional Water Quality Control Board
320 4th Street, Suite 200
Los Angeles, CA 90013

SUBJECT: COMMENTS ON RECONSIDERATION OF THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT (TENTATIVE ORDER/NPDES No. CAS004002) FOR THE VENTURA COUNTY WATERSHED PROTECTION DISTRICT, THE COUNTY OF VENTURA AND INCORPORATED CITIES THEREIN (MUNICIPAL SEPARATE STORM SEWER SYSTEM).

Dear Mr. Unger:

We have received the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer (MS4) Tentative Order/NPDES Permit No. CAS004002 of Waste Discharge Requirements for Storm Water Discharges from the Municipal Separate Storm Sewer System ("MS4") within the Ventura County Watershed Protection District, County of Ventura, and the Incorporated Cities therein (collectively referred to as the "Permittees"), which was released for public comment by the Regional Water Board on May 5, 2010.

The District appreciates the effort Regional Water Board staff has made over the past years to work the stakeholders and develop this permit. In addition to the comments previously submitted by the Ventura County Public Works Agency, the Agency supports the comments on this tentative order made by the Ventura Countywide Stormwater Quality Management Program in their June 4, 2010 letter and attachments.

Sincerely,

Jeff Pratt, PE
Director
