Notice of Public Hearing

of

Proposed Waste Discharge Requirements Order No. R1-2018-0002

for

**Forestville Water District
Wastewater Treatment, Recycling, and Disposal Facility**

**NPDES No. CA0023043
WDID No. 1B83100SON**

Sonoma County

On the basis of preliminary staff review and application of lawful standards and regulations, the California North Coast Regional Water Quality Control Board (Regional Water Board) proposes to adopt National Pollutant Discharge Elimination System (NPDES), Waste Discharge Requirements Order No. R1-2018-0002 for the Forestville Water District Wastewater Treatment, Recycling, and Disposal Facility (Facility). Waste Discharge Requirements Order No. R1-2018-0002 will continue to impose effluent limitations for discharges of waste from the existing Facility.

This item will be open for public comment between **October 26, 2017, and November 27, 2017.**

Public Hearing Procedures

A public hearing to consider comments and objections to the proposed permit is scheduled for the Regional Water Board's January or February 2018 Board Meeting, on a date yet to be determined, at 8:30 a.m., or as announced in the Regional Water Board's agenda. The meeting will be held at 5550 Skylane Boulevard, Suite A, Santa Rosa, California.

Please be aware that dates and venues may change. Our Web address is <http://www.waterboards.ca.gov/northcoast> where you can access the current agenda for changes in dates and locations. At the public hearing, the Regional Water Board will consider whether to affirm, reject, or modify the proposed permit.

In order for the Regional Water Board to consider any evidentiary material concerning this hearing, any documents, including written technical reports and other evidentiary material, must be submitted to NorthCoast@waterboards.ca.gov no later than 5:00 p.m., on **November 27, 2017.** All documents that are received timely will be distributed to the

Regional Water Board members and interested persons. These records will also become a permanent part of the administrative record for this public hearing.

Except at the discretion of the Regional Water Board Chair, written material received after the above date will not be accepted. If the Chair chooses to accept late written material, that material will not be incorporated into the administrative record if doing so would prejudice the Permittee or the Regional Water Board staff. The Chair may choose to modify this rule upon a showing of severe hardship (California Code of Regulations, Title 23, sections 648.1 and 648.4).

All those who plan to testify at this hearing must submit written statements to the Regional Water Board no later than **November 27, 2017**. The statements should provide the name of the witness, his or her qualifications (if an expert), and the scope of his or her intended testimony. The time limit for oral testimony or comments will be set by the Regional Water Board Chair and are subject to change. These time limits normally allow no more than 10 minutes each for Regional Water Board staff and Dischargers. All speakers are expected to honor these time limits. Other interested persons may also provide testimony at this public hearing. However, any testimony given by someone other than staff or the Dischargers, may be limited to 3 minutes and may only be given under the limited scope of summarizing or explaining any timely-submitted or late-accepted written evidence. No new evidence will be allowed to be presented at this public hearing. In an effort to be fair to all people who wish to testify at this public hearing, the Regional Water Board Chair may choose to use a timer to ensure that individuals stay within the time limits set by the Chair. The Chair also requests that in order to avoid unnecessary repetitive testimony, that one spokesperson be selected to speak on behalf of many individuals when those individuals share a common affiliation or interest.
