Notice of Public Hearing

Waste Discharge Requirements Order No. R1-2011-0002
NPDES No. CA0024490
WDID No. 1B82084OHUM

National Pollutant Discharge Elimination System Permit
For

McKinleyville Community Services District

Humboldt County

On the basis of preliminary staff review and application of lawful standards and regulations, the California State Water Resources Control Board (State Water Board) proposes to adopt Waste Discharge Requirements Order No. R1-2011-0002 for the McKinleyville Community Services District Municipal Wastewater Treatment Plant (WWTF). Order No. R1-2011-0002 would modify effluent limitations for copper based upon additional information showing no reasonable potential for copper to exceed water quality criteria that protect beneficial uses, modify monitoring requirements for dioxin congeners and storm water locations, and replace Order No. R1-2008-0039. This item was previously noticed for public comment from November 17, 2010 through December 17, 2010.

Public Hearing Procedures

A public hearing to consider whether to affirm, reject, or modify the proposed modification of waste discharge requirements is scheduled for April 19, 2011, at 9:00 a.m., in Sacramento, or as announced in the State Water Board's agenda. The meeting will be held at the Joe Serna Jr./Cal/EPA Building located at 1001 I Street, Sacramento, California.

Document Review

The tentative Order, related documents, comments received by the Regional Water Board and Regional Water Board responses to comments are on file and may be inspected or copied at the Regional Water Board's office, 5550 Skylane Boulevard, Suite A, Santa Rosa, California. Appointments are recommended for document review. Appointments can be made by calling (707) 576-2220. These documents may also be viewed at http://www.waterboards.ca.gov/northcoast/board_decisions/tentative_orders/.
