
North Coast Regional Water Quality Control Board

Notice of Proposed No Further Action

for
Mobil, Steve's
118 Diggles Street
Etna, California

Case Number 1TSI159

Siskiyou County

Notice Posting Date: July 31, 2025

End of Comment Period: September 29, 2025

Regional Water Board staff propose that no further work be required at the above-referenced site. The purpose of this notice is to inform interested parties, including owners of nearby land, that the case is being considered for closure, and to invite public comment on this proposed decision.

Problem Description

A soil and groundwater investigation was conducted at the above-referenced site due to an unauthorized discharge of petroleum hydrocarbons. Corrective action included excavation of the contaminated soil and in-situ chemical oxidation. Confirmation groundwater monitoring and investigations demonstrated successful cleanup of the site. North Coast Regional Water Quality Control Board (Regional water Board) staff proposes that no further work be required.

Proposed Action

Case closure is proposed. Unless significant comments are received or new information is presented regarding this site, Regional Water Board staff plans to proceed with the closure process upon conclusion of the comment period. Please contact Cody Walker at (707) 576-2642 or Cody.Walker@waterboards.ca.gov with any questions or comments. Written comments may also be submitted to:

Regional Water Board site records comprise both a paper file and an electronic file. Beginning in 2005, select file material was uploaded to the State Water Resources Control Board's GeoTracker website and not necessarily included in the paper file. All new file material after 2014 is retained only electronically. All electronic records for Mobil, Steve's are available on the [GeoTracker records website](https://geotracker.waterboards.ca.gov/profile_report.asp?global_id=T0609300118) (https://geotracker.waterboards.ca.gov/profile_report.asp?global_id=T0609300118).
