

TABLE OF CONTENTS

Description	Page
Executive Summary	i
 Section 1 - Introduction	
Brief description of the Chapter and the integrated approach for water quality management in the Region	1
 Section 2 - Watershed Activities	
2.0 Explanation of the integrated watershed management approach for the six Watershed Management Areas (WMAs) in the Region. Each WMA plan includes concerns and issues, water quality goals and implementation strategy	11
2.1 Russian/Bodega Watershed Management Area	13
Appendix 2.1-A - Partial list of agencies and groups in the Russian/Bodega WMA	29
Appendix 2.1-B - Monitoring and assessment priorities and needs for the Russian/Bodega WMA	32
2.2 Klamath Watershed Management Area	37
Appendix 2.2-A - Partial list of agencies and groups in the Klamath WMA	51
Appendix 2.2-B - Monitoring and assessment priorities and needs for the Klamath WMA	52
2.3 North Coast Rivers Watershed Management Area	55
2.3.3 Mattole River Watershed	59
Appendix 2.3.3-A – Partial list of agencies and groups in the Mattole River watershed	67
2.3.4 Ten Mile River Watershed	69
Appendix 2.3.4-A – Partial list of agencies and groups in the Ten Mile River watershed	75
2.3.5 Noyo River Watershed	77
Appendix 2.3.5-A - Partial list of agencies and groups in the Noyo River watershed	84
Appendix 2.3.5-B - Monitoring and assessment priorities and needs in the Noyo River watershed	85
2.3.6 Big River Watershed	87
Appendix 2.3.6-A – Partial list of agencies and groups in the Big River watershed	95
2.3.7 Albion River Watershed	97
Appendix 2.3.7-A – Partial list of agencies and groups in the Albion River watershed	104
2.3.8 Navarro River Watershed	105
Appendix 2.3.8-A - Partial list of agencies and groups in the Navarro River watershed	111

	Appendix 2.3.8-B - Monitoring and assessment priorities and needs in the Navarro River watershed	112
2.3.9	Greenwood Creek Watershed	113
2.3.11	Garcia River Watershed	115
	Appendix 2.3.11-A - Partial list of agencies and groups in the Garcia River watershed	124
	Appendix 2.3.11-B - Monitoring and assessment priorities and needs in the Garcia River watershed	125
2.3.12	Gualala River Watershed	127
	Appendix 2.3.12-A –Partial list of agencies and groups in the Gualala River watershed	135
	Appendix 2.3.12-B- Monitoring and assessment needs in the Gualala River watershed.....	136
2.4	Humboldt Bay Watershed Management Area	139
	Appendix 2.4-A - Partial list of agencies and groups in the Humboldt WMA	156
	Appendix 2.4-B - Monitoring and assessment priorities and needs for the Humboldt WMA	158
2.5	Eel River Watershed Management Area	161
	Appendix 2.5-A - Partial list of agencies and groups in the Eel WMA	173
	Appendix 2.5-B - Monitoring and assessment priorities and needs for the Eel WMA	175
2.6	Trinity River Watershed Management Area	177
	Appendix 2.6-A – Partial list of agencies and groups in the Trinity River WMA	187
Section 3 – Regional Activities (Non-watershed based activities)		189
Activities not prioritized on a watershed basis and links to program information.		

Appendices

Appendix A - Beneficial Use Definitions	203
Appendix B – Nonpoint Source Program.....	207
Appendix C – Critical Coastal Areas.....	223
Appendix D – Acronyms.....	233
Appendix E - Water Quality Priorities	237
Appendix F – Grant projects in the North Coast Region.....	243
