) ORDER

Section I: INTRODUCTION

1. This Settlement Agreement and Stipulation for Entry of Order (Order, Stipulation, or Stipulation and Order) is entered into by and between the State Water Resources Control Board (State Water Board) on behalf of the Underground Storage Tank (UST) Cleanup Fund (Cleanup Fund) and Claimant Beach Commonwealth, (Beach Commonwealth, Claimant or Settling Respondent) (collectively Parties), and is presented to the State Water Board or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60. This resolves all outstanding claims by the Cleanup Fund and the Claimant with respect to Abe’s Arco Site, 6242 Beach Blvd, Buena Park, CA/ Claim # 7879.

Section II: RECITALS

2. The State Water Board filed a civil and criminal complaint against Jordon-Botke Enterprises, dba PW Environmental and its principals for fraudulent misrepresentation and negligent misrepresentation related to alleged overbilling of costs submitted to and paid by the Cleanup Fund. The actions were the result of an investigation by the Cleanup Fund and the Office of Enforcement’s Fraud, Waste, and Abuse Prevention Unit.

3. On August 31, 2015, PW Environmental plead no contest to a felony count of grand theft and agreed to pay restitution in the amount of $19,000.

4. On September 10, 2015, a stipulated judgment was entered in this matter. The stipulated judgment ordered PW Environmental to pay the State Water Board / Cleanup Fund $281,000 and stated that any and all work performed, supervised and/or directed by PW Environmental that has not been reimbursed by the Cleanup Fund or that has not
been submitted to the Cleanup Fund as of October 31, 2014, is not reasonable and/or necessary corrective action and, therefore, not subject to reimbursement from the Cleanup Fund. This includes, but is not limited to, work performed by a third party or subcontractor.

5. As of October 31, 2014, the Claimant had work that PW Environmental had performed, supervised and/or directed that had yet to be reimbursed by the Cleanup Fund. Under the terms of the stipulated judgment, such work would be considered unreasonable and unnecessary, even if the Claimant had paid for this work in advance of receiving reimbursement from the Cleanup Fund.

6. The Parties have engaged in settlement negotiations and agree to fully resolve the matter for a payment of $170,882.77 by the Cleanup Fund without administrative or civil litigation and by presenting this Stipulation to the State Water Board or its delegatee, for adoption as an Order by settlement, pursuant to Government Code 11415.60. In addition, the Claimant agrees to waive all rights to appeal costs for any and all work performed, supervised and/or directed by PW Environmental.

7. The Cleanup Fund believes that the resolution of the alleged matter set forth herein is fair and reasonable and fulfills all of its enforcement objectives, that no further action is warranted concerning the claim, except as provided in this Stipulation, and that this Stipulation is in the best interest of the public.

Section III: STIPULATIONS

The Parties stipulate to the following:

8. Monetary Relief: The Claimant hereby agrees to accept payment totaling $170,882.77 in resolution of all outstanding costs for any and all work performed, supervised and/or directed by PW Environmental and/or PW Environmental’s subcontractors, known or unknown to the Claimant, related to Claim #7879.
