The proposed TMDL Holding Boaters ^{LIBEL.} ~~LIBEL~~
is unfair as we are only using a product
endorsed by government agencies. If you
approved it, How are we to know you're
going to change your mind + make ^{the} USER LIBEL
at a future date.

Furthermore, will the responsibility for
"cleaning" up MDR. Be borne by currently
slipped boats or by everyone that ever
slipped a boat there in the past ???
Will people that only put boats in for the
summer receive fractional shares or the
same as full time slips in slips — Jesse Lieber
