Re: Petition of Zief Foundation, Proposed Order Directing Reopening of
Underground Storage Tank (UST) Case and Further Corrective Action
at Former Chevron Service Station Located at 2009 South El Camino
Real, San Mateo, Case No. 9-7863 dated February 20, 2014 –
Removed from April 1, 2014, Board Meeting Agenda

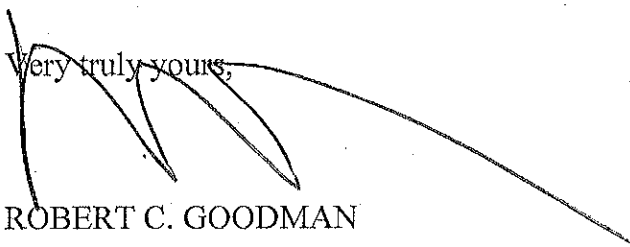

Dear Ms. Townsend:

I represent Chevron U.S.A. Inc. ("Chevron") in connection with this matter. On March 5, 2014, I submitted initial comments on behalf of Chevron on the State Water Resources Control Board's Proposed Order Directing Reopening of Underground Storage Tank (UST) Case and Further Corrective Action at Former Chevron Service Station Located at 2009 South El Camino Real, San Mateo, Case No. 9-7863 dated February 20, 2014 ("Draft Order").

The Draft Order has now been removed from the State Board's April 1, 2014, agenda. Based on my discussions with Mr. Jacobson of the Office of Chief Counsel I understand that if this matter is placed on a future agenda of the State Board there will be a further opportunity to provide comments. Chevron fully reserves its right to submit additional comments on the Draft Order (or any revised version), should the matter be considered by the State Board in the future.

Please contact the undersigned if you have any questions.

Thank you.

Very truly yours,

ROBERT C. GOODMAN

Jeanine Townsend
