Subject: SJR TMDL Meeting 03/28/11

Good morning,

We would like to set a meeting to discuss the outcome of the SJR  
Chlorpyrifos and Diazinon TMDL report in terms of compliance aspects and  
what are the next steps.

Unfortunately, the only day that will work for Regional Board staff and for  
Joe McGahan is

Monday, March 28 at 10:00 am

Our preference is to have this discussion in person and as soon as we can.  
However, if you need different arrangements and date, I can facilitate this  
though a conference call and/or look for different dates in April.

Please let me know your availability. Once that I have a confirmation on  
the date and logistics, I will be sending an agenda with more information.

Thank you

Dania
