RE: Irrigated Lands Regulatory Program Electronic and Hard Copy Laboratory Data Submittal Requirement (MRP Order R5-2008-0005)

Dear Ms. Creedon,

The East San Joaquin Water Quality Coalition is required by the Monitoring and Reporting Program Order No. R5-2008-0005 for Coalition Groups to "submit the previous quarter monitoring results in electronic format as well as hard copy" (Part III. Section A. Page 17). The Coalition is requesting to submit electronic copies of laboratory reports instead of both hard copies and electronic copies as long as the following are included in each quarterly report submittal:

1. Cover Letter indicating the type of submittal and what is included
 - a. Type of requirement (Quarterly Monitoring Data Report)
 - b. Due date (e.g. 1 June 2010)
 - c. Data range (e.g. 1 January through 31 March of 2010)
 - d. List all requirements in the MRP Order (Part III. Section A. Page 17)
 - e. The transmittal letter shall be signed and contain a penalty of perjury statement by the Coalition Group's authorized agent.
2. A CD with two types of files
 - a. Access Database in SWAMP comparable format
 - b. PDF format (this will replace the hard copy, and it will include all requirements listed in the MRP Order, Part III. Section A. Page 17)
3. All necessary items will be scanned and included in the PDF File (Part III. Section A. Page 17)

Submitted respectfully,
