I. INTRODUCTION

Valley-Alhambra Properties ("Valley Alhambra") is a partnership which is the owner of real property located at 4900 Valley Boulevard, Los Angeles, California ("Site"). Valley Alhambra is a party interested in the proceedings initiated by the Regional Water Quality Control Board ("Regional Board") which resulted in the issuance of an order pursuant to Water Code Section 13267 on June 11, 2008 ("June 11 Order") directed to Leggett and Platt, Inc., the successor in interest to Valley Alhambra’s former tenant on the Site. The Valley Alhambra partnership has always consisted of a group of elderly owners, several of whom have passed away during the lengthy time that this remediation process has been pending. As set forth in detail in the accompanying Declaration of Gary Herman, Sr., one of the remaining partners of Valley Alhambra, this process has been ongoing for well over 10 years and has had a significant negative impact on the use and financing of the property, has detrimentally impacted its rental value and has precluded any sale of the property for a full fair market value.
During the period since Leggett and Platt ceased its operations on the property, the Site has been rented to a succession of warehousing tenants. There have been no manufacturing operations at the property during that period nor occupation by any tenant whose use would have involved any risk of discharge of contaminants or have contributed in any way to any pre-existing hazardous conditions on the Site. Declaration of Gary Herman, Sr., paragraph 3.

III. SPECIFIC ACTION OF THE REGIONAL WATER BOARD FOR WHICH STATE WATER BOARD REVIEW IS REQUESTED

Valley Alhambra joins in the request of Leggett and Platt for review of the Section 13267 Order issued by the Regional Water Board on June 11, 2008 ("June 11 Order") to the extent set forth herein and incorporates by reference the copy of the order attached to the Petition of Leggett and Platt as Exhibit A.

IV. DATE OF THE REGIONAL WATER BOARD ACTION

June 11, 2008.

V. STATEMENT OF REASONS WHY THE REGIONAL WATER BOARD’S ACTION WAS INAPPROPRIATE OR IMPROPER

Valley Alhambra partially joins in the Petition of Leggett and Platt for the reasons set forth below:
1. Investigation, remediation, and confirmation monitoring activities, as well as the data derived from these activities, evidence that current conditions of the soil and ground water at the Site do not pose a substantial risk to human health or the waters of the State;

2. Given the extensive work performed at the Site over the last 10 years, characterization of the Site is sufficient to understand the pre- and post-remedial conditions at the Site;

3. The burden, including costs of compliance, imposed by the Order does not bear a reasonable relationship to the benefits that may be obtained from the reports and investigations sought by the Order;

4. Investigation, remediation, and confirmation monitoring to date justifies closure of the Site without further investigation.

Valley Alhambra joins in the request of Leggett and Platt that the Petition be held in abeyance for the maximum period and reserves its right to supplement its submission if the Petition is reactivated.

However, to the extent that any portion of the Leggett & Platt Petition is based on an argument that Leggett and Platt is not a proper party or subject to the jurisdiction of the Water Board with respect to this Site and orders relating thereto, Valley Alhambra expressly declines to join in those portions of the Petition and opposes any such relief sought by Leggett and Platt in connection therewith and reserves the right to supplement its submission with additional authorities and evidence should any hearing be held thereon.

IV. STATEMENT OF GRIEVANCE OF INTERESTED PARTY

Valley Alhambra is aggrieved by the Order because: (1) Closure should have been issued when requested by Valley Alhambra on terms which had been approved by the Regional Water Board in January 2007; and (2) the June 11 Order imposes an excessive and continuing unnecessary financial burden on Valley Alhambra as the owner of the Site. See Declaration of Gary J. Herman, Sr. submitted herewith.
VII. SPECIFIC ACTION THAT INTERESTED PARTY REQUESTS THE STATE BOARD TO TAKE

Valley Alhambra requests that the June 11 Order be rescinded in its entirety on the grounds that it is beyond the scope of investigation necessary to characterize the Site for closure. The State Water Board should direct the Regional Water Board to issue a closure letter for the Site.

Valley Alhambra joins Petitioner’s request that the State Water Board hold this Petition in abeyance for the maximum time period or until reactivated. Valley Alhambra reserves the right to amend its submission and to request further action if the Petition is reactivated.

To the extent that any portion of the Leggett & Platt Petition requests that the Order be rescinded only as to Leggett and Platt, that Valley Alhambra be joined or that there be a finding that Leggett and Platt is not a proper party subject to the June 11 Order or subject to the jurisdiction of the Water Board or Regional Water Board with respect to this Site and orders relating thereto, Valley Alhambra expressly declines to join in those portions of the Petition and opposes any such relief sought by Leggett and Platt in connection therewith and reserves the right to supplement its submission with additional authorities and evidence should any hearing be held thereon.

VIII. PARTIAL JOINDER IN POINTS AND AUTHORITIES SUBMITTED BY

PETITIONER LEGGETT AND PLATT

Valley Alhambra joins and incorporates herein by reference the arguments and authorities contained in the Petition of Leggett and Platt in Section VIII, Parts A. (Applicable Standard of Review), C. (Data from Ground Water Sampling Reports ...Show that the Current condition of the Soil and Groundwater Does not Pose a Substantial Risk, etc.), D. (The Regional Water Board Has Not Provided Prima Facie Evidence to Show a Change in Conditions Since it Ordered the Remediation Equipment Removed and Stated the Site was Eligible for Closure, Subject to Restrictive Covenants), and E. (The Cost Associated with the Investigation Required by the Order Has No Reasonable Relationship to the Nominal Threat, etc.).
A. FAILURE TO ISSUE CLOSURE WILL RESULT IN SERIOUS FINANCIAL HARDSHIP TO VALLEY ALHAMBRA PROPERTIES DUE TO REDUCTION IN INCOME AND INABILITY TO FINANCE OR SELL ITS PROPERTY FOR FULL AND FAIR MARKET VALUE

Valley Alhambra is a partnership made up of a group of elderly property owners who have never themselves occupied or operated any business on the Site. Valley Alhambra has already suffered significant financial hardship in connection with the lengthy period that this Site has been subject to investigation and remediation, now for over ten (10) years. During that entire period, Valley Alhambra has been prevented from selling its property for a fair commercial price due to the great uncertainty created for any purchaser due to the open investigation underway by regulatory agencies. This situation has also negatively impacted the rental income which may be generated by the property due to the reluctance of substantial commercial tenants to allow their businesses to operate on a property that is subject to an open environmental investigative proceeding. The details of this past and present hardships are set forth in the Declaration of Gary Herman, a commercial real estate agent and property manager with over fifty years of experience dealing with these types of properties which is submitted herewith. Several of the owners have passed away during the lengthy period of the investigation and remediation process thus far and the remainder are elderly and some rely on the income from this property for full time nursing care. See Declaration of Gary Herman.

Given the significant and thorough investigation and remediation already conducted at the Site and the assessment of risks completed showing that future risks to public health and safety are insignificant, as outlined in detail in the Petition of Leggett and Platt and the Declaration of George Linkletter which is referred to and incorporated herein by reference, there is no justification for the June 11 Order which will substantially increase the financial hardship and uncertainty to the Valley Alhambra partners (who have never themselves occupied or operated businesses on the Site) for what are, at best, negligible additional benefits to the public health and safety.
IX. STATEMENT OF SERVICE ON REGIONAL WATER BOARD

A copy of this partial joinder has been sent to the Regional Water Board.

X. JOINER IN REQUEST FOR PREPARATION OF RECORD, FOR EVIDENTIARY HEARING AND FOR STAY

Valley Alhambra joins in the request of Leggett and Platt for the preparation of the record in this matter by the Regional Water Board, for a Stay of the June 11 Order and for an evidentiary hearing on the matters raised in the Petition for the reasons and based on the authority stated therein to the extent joined by Valley Alhambra herein.

XI. CONCLUSION

Based on the fact that this Site has been subject to a full and complete investigation and remediation and was approved for closure by the Regional Water Board and that no new information or conditions warrant reopening of the Site and that the great financial burdens imposed by the June 11 Order far outweigh the potential benefits, if any, from the new work required thereunder, Valley Alhambra joins in the requests for relief, including a stay and evidentiary hearing, set forth in the Petition of Leggett and Platt, Inc. and incorporates the facts and legal authorities set forth therein to the extent and on the grounds set forth herein.

DECLARATION OF GARY HERMAN, SR.

1. Gary J. Herman, Sr. declare as follows:

   1. I am 77 years old and am one of the remaining partners (with my 76 year old wife, Beverly) of Valley Alhambra Properties, a partnership which is the owner of real property located at 4900 Valley Boulevard, Los Angeles, California ("Site"). I have been a commercial real estate broker and property manager for over fifty years and have been extensively involved in the management, leasing, financing and sale of commercial and industrial properties similar to the Site at issue. I have personal knowledge of the facts set forth herein and could and would competently testify thereto under oath.

   2. In 1993 when contamination was first identified at the Site, the partners in the property included Ruth Shelby and Barney and Dorothy Weingard. In 2003 at the age of 90, Ruth Shelby passed away. Her interest in the property is currently held by her son, Charles Shelby, a Catholic priest who resides in Illinois. Earlier this year, at the age of 90, Barney Weingard passed away. Although his wife, Dorothy, is a remaining partner, she suffers from severe Alzheimer’s disease, was not even able to attend her husband’s funeral, and depends on the income from this property to fund her required full time nursing care. My wife and I suffer from numerous age related health conditions. I recently had serious colon surgery and my wife was recently diagnosed with an inoperable aneurysm and faces additional surgery in the coming months.

   3. I have been the person primarily responsible for managing the Site for the Valley Alhambra partnership. After Leggett & Platt shut down its facility, the property was vacant until August 1995. Since then, the following tenants have occupied the Site for the various businesses described below, none of which involve manufacturing or use of solvents or chemicals to the best of my knowledge and belief. I have visited the Site numerous times while these tenants have been in occupancy and have seen nothing on the Site inconsistent with the type of business authorized to be conducted under their respective leases as set forth below:

   1995 - 1999  Apak International  Warehousing of used clothing
   1999 - 2002  Los Angeles City Mission  Warehousing of used clothing
   2002 - 2003  A-1 Clothing  Warehousing of used clothing
2003 - 2007 Sasco Electric  Warehousing of electrical products
2007 - present Murray Plumbing & Heating  Warehousing of plumbing products

5. In my experience, it is possible to demand and obtain higher rents from tenants with manufacturing operations or more sophisticated business operations. Warehousing is a use which generally brings in a lower quality tenant and property usable only as warehousing space has a lesser rental value than property which can be used for manufacturing operations. Over the past 13 years, I have attempted to market the Site to manufacturing tenants such as had been on the property up to the time it was vacated by Leggett and Platt. However, the fact that the site is subject to an ongoing and open investigation and remediation by the Regional Water Board has been a reason stated to me by numerous prospective manufacturing tenants that they will not consider leasing the property for their businesses as they do not want to risk being held responsible for any hazardous conditions which may exist on the property. This has in my opinion, drastically reduced the rental income that Valley Alhambra has been able to obtain for this property and this impact will continue as long as the Site remains open and the ongoing investigations continue.

6. During the lengthy period in which this Site has been under investigation and remains open, the Valley Alhambra partners have been subject to extreme financial hardship as relates to this Site. The pending remediation (now for over 15 years) and characterization of the Site as an open site has had a significant deleterious impact on the ability to obtain financing for the property, on the rental income for this property and has prevented any sale of the property for its full commercial property value.

I declare under penalty of perjury that the foregoing is true and correct and that this declaration was executed this 10th day of July, 2008 at Los Angeles, California.
