Notice of Public Hearing
of
Proposed Waste Discharge Requirements
Order No. R1-2019-0006
for the
City of Arcata Wastewater Treatment Facility

NPDES No. CA0022713
WDID NO. 1B82114OHUM

Humboldt County

On the basis of preliminary staff review and application of lawful standards and regulations, the California North Coast Regional Water Quality Control Board (Regional Water Board) proposes to adopt National Pollutant Discharge Elimination System (NPDES), Waste Discharge Requirements Order No. R1-2019-0006 for the City of Arcata Wastewater Treatment Facility (Facility). Waste Discharge Requirements Order No. R1-2019-0006 will continue to impose effluent limitations for discharges of waste from the existing Facility.

This item will be open for public comment between **April 4, 2019, and May 6, 2019.**

Public Hearing Procedures

A public hearing to consider comments and objections to the proposed permit is scheduled for the Regional Water Board's **June 19 or 20, 2019**, Board Meeting, or as announced in the Regional Water Board's agenda. The meeting will be held at the Eureka City Hall Council Chambers, 531 K Street, Eureka, California.

Please be aware that dates and venues may change. Our Web address is <https://www.waterboards.ca.gov/northcoast/> where you can access the current agenda for changes in dates and locations. At the public hearing, the Regional Water Board will consider whether to affirm, reject, or modify the proposed rescission and waste discharge requirements.

In order for the Regional Water Board to consider any evidentiary material concerning this hearing, any documents, including written technical reports and other evidentiary material, must be submitted to Northcoast@waterboards.ca.gov and received by the Regional Water Board no later than 5:00 p.m., on **May 6, 2019**. All documents that are received timely will be distributed to the Regional Water Board members and interested persons. These

records will also become a permanent part of the administrative record for this public hearing.

Except at the discretion of the Regional Water Board Chair, written material received after the above date will not be accepted. If the Chair chooses to accept late written material, that material will not be incorporated into the administrative record if doing so would prejudice the Permittee or the Regional Water Board staff. The Chair may choose to modify this rule upon a showing of severe hardship (California Code of Regulations, Title 23, sections 648.1 and 648.4).

All those who plan to present evidence at this hearing must submit written statements to the Regional Water Board no later than **May 6, 2019**. The statements should provide the name of the witness, his or her qualifications (if an expert), and the scope of his or her intended testimony. The time limit for oral testimony or comments will be set by the Regional Water Board Chair and are subject to change. These time limits normally allow no more than 10 minutes each for Regional Water Board staff and Permittees. All speakers are expected to honor these time limits. Other interested persons may also provide testimony at this public hearing. However, any testimony given by someone other than staff or the Permittee, may be limited to 3 minutes and may only be given under the limited scope of summarizing or explaining any timely-submitted or late-accepted written evidence. No new evidence will be allowed to be presented at this public hearing. In an effort to be fair to all people who wish to testify at this public hearing, the Regional Water Board Chair may choose to use a timer to ensure that individuals stay within the time limits set by the Chair. The Chair also requests that in order to avoid unnecessary repetitive testimony, that one spokesperson be selected to speak on behalf of many individuals when those individuals share a common affiliation or interest.

Document Review

The Proposed Permit and related documents are available at the Regional Water Board's website at https://www.waterboards.ca.gov/northcoast/public_notices/public_hearings/npdes_permits_and_wdrs/. Additionally, the Proposed Permit and file may be inspected or copied at the Regional Water Board office, 5550 Skylane Boulevard, Suite A, Santa Rosa, California.
