

- Approximate Location of ORC Injection Point (March, 2003)
- Approximate Location of ORC Injection Point (June, 2003)
- Approximate Location of proposed Ground Water Monitoring Well
- Approximate Boundary of Ecologic Buffer Zone (50 feet from top of bank)

LEGEND

- Approximate Extent of Petroleum Hydrocarbons in Ground Water exceeding Ecological Buffer Zone Ground Water Clean-up Goals

September to November, 2003

**PROPOSED GROUND WATER MONITORING
WELL LOCATIONS**
