PUBLIC NOTICE

Subject: Tentative Order to Update Waste Discharge Requirements for Guadalupe Recycling and Disposal Facility, San Jose, Santa Clara County

Dear Interested Party:

Enclosed for your review is a Tentative Order to award Waste Discharge Requirements for Guadalupe Recycling and Disposal Facility (the Landfill). The Tentative Order is scheduled to be considered by the Water Board at its regular meeting June 8, 2011. The hearing will be held at:

Elihu Harris State Building
First Floor Auditorium
1515 Clay Street
Oakland, CA 94612
June 8, 2011, 9:00 a.m.

The Tentative Order would update the Landfill's Waste Discharge Requirements to: 1) Account for development and operational changes implemented since adoption of the last Order and incorporate plans for construction and filling of future landfill cells; 2) Reflect changes in the Landfill's Waste Acceptance Criteria (WAC); and 3) Make minor revisions to the Self-Monitoring Program (SMP) and require the Discharger evaluate whether it should be further revised to enhance detection monitoring in response to future filling plans and recent changes in the WAC.

Written comments on the Tentative Order are being accepted until the close of business on **May 11, 2011**. Comments received after this date may not be considered. Questions regarding this matter should be directed to me at (510) 622-2363, or via e-mail at lwhalin@waterboards.ca.gov.

Sincerely,

Lindsay Whalin, PG
Engineering Geologist
