Dear Mr. Christian,

We appreciate the opportunity to submit final comments on the Tentative Order R2-2013-XXXX (NPDES No. CA0030058) for the Bottling Group, LLC.

We submit the following comments for your consideration:

1) Order, Table 3 - The current order expires August 31, 2013, so it appears that the new order should be effective starting on November 1, 2013 instead of November 1, 2012. Other dates listed in the table may need to be adjusted accordingly.

2) MRP (Attachment E), IX.B.7 - RWQCB eliminated the need for a Contingency Plan in MRP IX.A. We respectfully request that reference to the Contingency Plan in IX.B.7 be deleted to avoid confusion in the requirements for a Contingency Plan.

Thank you again for your consideration.

Respectfully,

Greg Hulburd
