

The San Francisco Bay Regional Water Quality Control Board (Regional Water Board) will accept written comments on the Tentative Order for Water Quality Certification and Waste Discharge Requirements for the East Bay Regional Park District Regional (EBRPD) Regional Maintenance Activities Project (Project), as described further below. The Board will consider adopting the Tentative Order during a meeting to commence at **9:00 am on July 11, 2018**, in the Auditorium on the first floor at 1515 Clay Street, Oakland, CA 94612. Interested persons are invited to express their views at this hearing.

Project Name:	East Bay Regional Park District Regional Maintenance Activities Project
City/County:	The Tentative Order applies to activities on lands that are owned or managed by EBRPD within Alameda and Contra Costa Counties.
Comment Period:	5/21/2018 – 6/21/2018 at 5 pm.
Project Description:	EBRPD conducts routine maintenance activities in streams, creeks, channels, catchment basins, seeps, springs, ponds, lakes, and beaches. Maintenance activities may involve culvert replacement, maintenance of existing structures, maintenance of existing road or trail crossings of creeks, bank stabilization, maintenance dredging, and beach replenishment. The purpose of the maintenance activities is to protect water quality and quantity, to reduce erosion, to maintain and enhance natural resources, and to provide safe access for the public and emergency vehicles.
