SAN FRANCISCO BAY REGION**

**NOTICE OF PROPOSED SETTLEMENT AGREEMENT AND STIPULATED ORDER
in the matter of
Delta Diablo
Contra Costa County**

The California Regional Water Quality Control Board, San Francisco Bay Region (Water Board) Prosecution Team and Delta Diablo have entered into a proposed Settlement Agreement and Stipulated Order. The proposal would impose an administrative civil liability against Delta Diablo in the amount of \$5,557,700 for alleged unauthorized discharge of pollutants to Waters of the United States.

The Stipulated Order, if adopted, would direct most of the settlement to fund the installation of a new force main to Delta Diablo's Shore Acres Pump Station, where the alleged violation occurred. The Stipulated Order would also direct a portion of the settlement to fund retrofitting Delta Diablo's wastewater treatment plant discharge outfall with check valves to reduce sediment and aquatic organism capture, improve final effluent mixing, and reduce flow reversal at the outfall.

The proposed Settlement Agreement and Stipulated Order is available for review at https://www.waterboards.ca.gov/sanfranciscobay/public_notices/pending_enforcement.html. Persons may comment on the proposal by submitting written comments no later than 5:00 p.m. on **April 23, 2026**.
