

**STATE WATER RESOURCES CONTROL BOARD  
RESOLUTION NO. 2011-0058**

APPROVING AN AMENDMENT TO THE WATER QUALITY CONTROL PLAN FOR THE  
SAN FRANCISCO BAY REGION THAT LISTS ADDITIONAL SURFACE WATER BODIES  
AND DESIGNATES BENEFICIAL USES FOR APPROXIMATELY 375  
SURFACE WATER BODIES. THE BASIN PLAN AMENDMENT WILL PROVIDE CLARITY AND  
TRANSPARENCY TO THE PUBLIC ABOUT THE BENEFICIAL USES OF SURFACE WATERS  
IN THE SAN FRANCISCO BAY REGION

WHEREAS:

1. On July 14, 2010, the San Francisco Bay Water Board adopted [Resolution No. R2-2010-0100](#) amending the Basin Plan to add surface water bodies and designate beneficial uses for surface water bodies throughout the Region.
2. The San Francisco Bay Water Board found that the analysis contained in the California Environmental Quality Act (CEQA) "Substitute Documentation" for the proposed Basin Plan amendment, including the CEQA checklist, the staff report, and the responses to public comments, complies with the requirements of the State Water Resources Control Board's certified regulatory CEQA process, as set forth in the California Code of Regulations, Title 23, section 3775 et seq.
3. The San Francisco Bay Water Board found the Basin Plan amendment would not have a significant adverse effect on the environment and is consistent with the State Antidegradation Policy ([State Water Board Resolution No. 68-16](#)) and the federal Antidegradation Policy (40 Code of Federal Regulations 131.12).
4. The State Water Board finds that the Basin Plan amendment is in conformance with Water Code section 13240, which specifies that Regional Water Quality Control Boards may revise Basin Plans.
5. The State Water Board finds that the regulatory action meets the "necessity" standard of the Administrative Procedures Act, Government Code section 11353, Subdivision (b). The necessity of the Basin Plan amendment is established in the Staff Report for the amendment.
6. A Basin Plan amendment does not become effective until approved by the State Water Board and until the regulatory provisions are approved by OAL. The amendment must also receive approval from the U.S. Environmental Protection Agency (U.S. EPA).

THEREFORE BE IT RESOLVED THAT:

The State Water Board:

1. Approves the amendment to the Basin Plan adopted under San Francisco Bay Water Board Resolution No. R2-2010-0100.

2. Authorizes the Executive Director or designee to submit the amendment adopted under San Francisco Bay Water Board Resolution No. R2-2010-0100 as approved, and the administrative record for this action to the Office of Administrative Law and the amendment to the U.S. Environmental Protection Agency for approval.

### **CERTIFICATION**

The undersigned Clerk to the Board does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on December 5, 2011.
