CHAIR'S RULING ON REQUESTS FOR ADDITIONAL TIME TO SPEAK AT THE MUNICIPAL REGIONAL STORMWATER PERMIT HEARING

Dear Requesters:

The notice for the October 12-13 hearing on the draft municipal regional stormwater permit provided that the participants would generally have three minutes to speak, unless they requested additional time for joint presentations from the Water Board. The Water Board received requests for additional time from representatives of the 79 Permittees, San Francisco Baykeeper, Save the Bay, and Contech Engineered Solutions LLC. After reviewing the requests and in consultation with the Board's Executive Officer, I have decided that the requesters get the following amounts of time:
