Project Name: Lockwood Valley Road Emergency Repairs Project MP 1.75

Receiving Water: Cuyama River

City/County: Unincorporated / Ventura County

Public Notice: 9/30/2025 – 10/21/2025

Project Description:

The purpose of the proposed project is to perform repairs on Lockwood Valley Road at mile point (MP) 1.75. The proposed project would facilitate reopening of Lockwood Valley Road at MP 1.75. The proposed project activities include:

- Reconstruction and repair of approximately 310-linear feet of Lockwood Valley Road;
- Removal and recycling of damaged road material;
- Excavation and placement of rock rip-rap revetment with a buried rock toe along the Cuyama River;
- Re-creation of the road foundation;
- Reconstruction of the roadway with asphalt concrete and processed miscellaneous base;
- Temporary diversion of river water;
- Reconstruction of the southerly shoulder; and
- Reconstruction of a rumble strip along the roadway centerline.

No mitigation is proposed.
