**Project Name:** Colligan/Burns Revetment Repairs

**Receiving Water:** Pacific Ocean

**City/County:** Santa Cruz / Santa Cruz County

**Public Notice:** March 4, 2026 – March 26, 2026

### **Project Description:**

The purpose of the proposed project is to repair an existing revetment.

The proposed project activities include:

- Retrieving approximately 143 tons of revetment rock that have migrated onto the beach and restacking them on the revetment;
- Removing unpermitted stucco and wooden retaining walls from the bluff face;
- Restoring bluff areas above the revetment and installing a mostly buried cutoff wall adjacent to a beach access staircase;
- Installing a 14-foot-long and 6-foot-tall extension of a stucco wall starting at end of 26<sup>th</sup> Avenue; and
- Removing an unpermitted planter box.

No mitigation is proposed.
