Project Applicant: Legacy Homes – Suzanna Aceves

Applicant's Agent: Self-Representing

Project Name: Storm Drain Outfall for Los Alamos Development Project Tract 14608

Receiving Water: San Antonio Creek

City/County: Los Alamos / Santa Barbara

Public Notice: June 9, 2021 – June 30, 2021

Project Description:

The purpose of the proposed project is to subdivide 17 acres into 59 residential lots.

The proposed project activities include:

- Installing a storm drain system for development of 59 residential parcels;
- Installing a culvert for the outfall that will be 723 linear feet of 72-inch pipe and 3,186 linear feet of 48-inch pipe; and
- Installing rock slope protection at the point of discharge into San Antonio Creek.

Proposed Mitigation:

Rehabilitating 0.048 acres / 75 linear feet and enhancing 0.048 acres / 100 linear feet of riparian area.

An Environmental Impact Report was filed on August 1, 2005.
