**Subject:** Rebuttal to request for response to Ms Okun's recusal

Due to time constraints, we have been unable to draft a complete rebuttal. We do wish to state our general agreement with the comments submitted by Mr Shipe and Ms Moylan.

We also wish to reserve our rights to appeal, our rights to request and utilize assistance other than legal representation, our rights to incorporate other testimony and evidence by reference, and to cross examine any and all other witnesses called in any "sub hearing".

Sincerely,

Randall E Schuldt
