## Los Angeles Regional Water Quality Control Board

July 9, 2018

Ms. Jo-Anne Alvarez  
Tesoro Refining & Marketing Company LLC  
400 Ocean Gate, Suite 600  
Long Beach, California 90802

**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS  
– TESORO STATION NO. 42019, 1601 GLENDALE BOULEVARD, LOS ANGELES,  
CALIFORNIA (FILE NO. 14-032, ORDER NO. R4-2007-0019, SERIES NO. 252, CI-10048,  
GLOBAL ID. WDR100016904)**

Dear Ms. Alvarez,

On May 14, 2014, this Regional Water Quality Control Board (Regional Board) informed you that the subject discharge is regulated under Regional Board Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In the letter dated June 29, 2018, you requested termination of the WDR coverage under Regional Board Order No. R4-2007-0019 because the injection of Fenton's reagent was never implemented and is not planned in the future at the subject site. Therefore, the WDR is no longer needed. The coverage under Regional Board Order No. R4-2007-0019 for the subject site is hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 ([ann.chang@waterboards.ca.gov](mailto:ann.chang@waterboards.ca.gov)), or the Chief of Groundwater Permitting Unit, Dr. Eric Wu at (213) 576-6683 ([eric.wu@waterboards.ca.gov](mailto:eric.wu@waterboards.ca.gov)).

Sincerely,

A handwritten signature in black ink, appearing to read "Deborah J. Smith", written over a horizontal line.

Deborah J. Smith  
Executive Officer
