## Los Angeles Regional Water Quality Control Board

February 9, 2017

Mr. Anteneh Tesfaye  
City of South Pasadena  
825 Mission Street  
La Habra Heights, CA 90631

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS—CITY OF SOUTH PASADENA, WILSON WELL # 2, 311 BRADBURY DRIVE, SAN GABRIEL, CALIFORNIA (CAG994005, CI-10068)**

Dear Mr. Tesfaye:

The subject discharges are regulated under Order No. R4-2003-0108, General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Potable Water Supply Wells to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties, adopted by this Board on August 7, 2003.

On November 18, 2014, the State Water Resources Control Board (State Water Board) adopted the Statewide National Pollutant Discharge Elimination System (NPDES) Permit for Drinking Water Systems Discharges to Waters of the United States (Order WQ 2014-0194-DWQ, General Order No. CAG140001). The Order provides regulatory coverage for short-term or seasonal planned and emergency (unplanned) discharges resulting from a water purveyor's essential operations and maintenance activities undertaken to comply with the federal Safe Drinking Water Act, the California Health and Safety Code, and the State Water Board's Division of Drinking Water permitting requirements for providing reliable delivery of safe drinking water. The Order became effective on February 26, 2015.

On August 31, 2015, City of South Pasadena submitted a completed application package to State Water Board for coverage under the Statewide Drinking Water Systems Discharge Permit. On February 6, 2017, the State Water Board issued a Notice of Applicability to City of South Pasadena drinking water systems for coverage under the Statewide Drinking Water Systems Discharge Permit. Therefore, coverages for City of South Pasadena Well No. 2 (WDID 4B197600037, CI-10068) under Regional Water Board Order R4-2003-0108, General NPDES Permit No. CAG994005 is no longer necessary and is hereby terminated, except for enforcement purposes.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Samuel Unger, P.E.  
Executive Officer
