## Los Angeles Regional Water Quality Control Board

July 1, 2015

Mr. Mike Harrison  
Harrison Brothers Enterprises  
5275 Colt Street  
Ventura, CA 93003

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—HARRISON BROTHERS ENTERPRISES, GOLD COAST STORM DRAIN IMPROVEMENT PROJECT, 5165 COLT STREET, VENTURA, CALIFORNIA (NPDES NO. CAG994004, CI-10125)**

Dear Mr. Harrison:

The subject discharge is regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

We have reviewed your letter dated June 11, 2015, requesting termination of your coverage under the General Permit. The letter indicated that you have stopped discharging from the above-referenced facility to surface water and that the subject NPDES permit is no longer needed.

Board staff reviewed the project photos taken before and after the construction of a vault structure showing that the project phase needing dewatering activities have been completed. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2013-0095, General NPDES Permit No. CAG994004 for the facility is hereby terminated, except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
