New York, NY 10019

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS—9040 SUNSET, LLC, C/O WITKOFF GROUP, WEHO EDITION PROJECT, 9040 SUNSET BOULEVARD, WEST HOLLYWOOD, CALIFORNIA (NPDES NO. CAG994004, CI-10223)

Dear Mr. Murphy:

In our letter dated April 15, 2016, we informed you that the subject discharge is regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

We have reviewed your October 13, 2016, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that construction project was completed on October 7, 2016 and the permit is no longer needed.

On October 25, 2016, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2013-0095, General NPDES Permit No. CAG994004, CI-10223 for the facility is hereby terminated except for enforcement purposes.

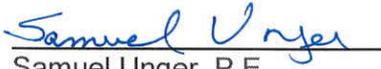

Please note that if future discharges of groundwater to surface water or land becomes necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters or land.

Mr. Craig Murphy
