Los Angeles, CA 90025

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS, 8600 WILSHIRE BLVD., LLC, 8600 WILSHIRE BLVD., BEVERLY HILLS, CA (NPDES No. CAG994004, CI-10238)

Dear Mr. Simpson:

In our letter dated July 8, 2016, we informed you that the subject discharge is regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

Your letter of November 10, 2017, to Regional Water Board staff requested termination of your coverage under the general NPDES permit, Order No. R4-2013-0095. The letter indicated that dewatering activity has ceased since September 29, 2017.

On April 12, 2018, Regional Water Board staff inspected and found that there is no discharges or groundwater sump discharging to the storm drain at the facility. Since there is no discharge of groundwater from the site, coverage under Board Order R4-2013-0095, General NPDES Permit No. CAG994004, CI-10238, is hereby terminated, except for enforcement purposes.

Please note that if future discharges of groundwater to surface water or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate Waste Discharge Requirements.

If you have any questions, please contact Carlos D. Santos at 213-620-2093, or email him at csantos@waterboards.ca.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Deborah J. Smith".
