JARED BLUMENFELD
SECRETARY FOR
ENVIRONMENTAL PROTECTION

Los Angeles Regional Water Quality Control Board

January 31, 2019

Mr. Anthony M. Brown
Heart of Los Angeles
2701 Wilshire Boulevard
Los Angeles, CA 90057

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—HEART OF LOS ANGELES—LAFAYETTE PARK—HEART OF LOS ANGELES, 615 LAFAYETTE PARK PLACE, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI—10365)

Dear Mr. Brown:

In our letter dated October 12, 2017, we informed you that the subject discharge is regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

We have reviewed your May 10, 2018, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that the construction dewatering project was completed on March 30, 2018, and that the subject NPDES permit is no longer needed. On January 30, 2019, Board staff inspected the project site and verified that there is no discharge of groundwater from the project site to the storm drain. Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2013-0095, General NPDES Permit No. CAG994004, CI-10365 for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of wastewater to surface water or land becomes necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters or land.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Deborah J. Smith
Executive Officer
