Rosemead, CA 91770

**TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE
ELIMINATION SYSTEM (NPDES) PERMIT—HERMETIC SEAL CORPORATION, HERMETIC SEAL
4232 TEMPLE CITY BOULEVARD, ROSEMEAD, CALIFORNIA (NPDES NO. CAG994003, CI—2937)**

Dear Mr. Abdou:

In our letter dated January 26, 2010, we informed you that the subject discharge is regulated under Order No. R4-2009-0047, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Nonprocess Wastewater to Surface Waters in Coastal Watersheds in Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

On January 26, 2012, you informed Regional Board staff that the discharge from the above-referenced facility has been diverted to the sanitary sewer. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the above-referenced General NPDES permit.

On March 15, 2012, staff inspected the facility and verified that there is no discharge to the storm drain. Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2009-0047 for the subject facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface water becomes necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters.

If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Samuel Unger, P.E.
Executive Officer
