VIA CERTIFIED MAIL
RETURN RECEIPT REQUESTED
NO. 7000 0600 0029 1196 8267

Mr. Robert G. Granado
Director, Environmental Health and Safety
Kinder Morgan Liquids Terminals, LLC
1100 Town and Country Road
Orange, CA 92868

Dear Mr. Granado

TRANSMITTAL OF THE WASTE DISCHARGE REQUIREMENTS (WDRs) AND NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT, AND TIME SCHEDULE ORDER (TSO) – Kinder Morgan Liquids Terminals, LLC, Carson Terminal, 2000 East Sepulveda Boulevard, Carson, California (NPDES No. CA0056863, CI-5244)

Our letters dated May 26 and April 15, 2011, transmitted the revised tentative waste discharge requirements for renewal of your permit for the discharge of wastes under the National Pollutant Discharge Elimination System (NPDES) Program and the revised tentative Time Schedule Order (TSO), respectively.

Pursuant to Division 7 of the California Water Code, this Regional Water Board at a public hearing held on June 2, 2011, reviewed the tentative requirements, considered all factors in the case, and adopted Order No. R4-2011-0100 (NPDES permit) and TSO No. R4-2011-0101.

Order R4-2011-0100 serves as an NPDES permit, and it expires on May 10, 2016. Section 13376 of the California Water Code requires that an application/Report of Waste Discharge for a new permit must be filed at least 180 days before the expiration date. The TSO No. R4-2011-0101 expires on June 2, 2014.

You are required to implement the Monitoring and Reporting Program (MRP) on the effective date (July 2, 2011) of Order No. R4-2011-0100. Your first monitoring report for the period of July 2011 through September 2011 is due by November 1, 2011. The first semiannual progress report required under TSO No. R4-2011-0101 is due by the 15th of February 2012, as listed on page 8 of the TSO. Submit all monitoring and technical/progress reports to the Regional Water Board, ATTN: Information Technology Unit.

When submitting monitoring or technical reports to the Regional Water Board per these requirements, please include a reference to Compliance File CI-5244 and NPDES No. CA0056863, which will assure that the reports, are directed to the appropriate file and staff. Please do not combine your discharge monitoring reports with other reports, such as technical/progress reports. Submit each type of report as a separate document.

Mr. Robert G. Granado
Kinder Morgan Liquids Terminals, LLC
Carson Terminal
