Playa Vista, CA 90094

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENT—PLAYA CAPITAL COMPANY, LLC, PLAYA VISTA, 12045 WATERFRONT DRIVE, SUITE 400, PLAYA VISTA, CALIFORNIA (NPDES NO. CAG994004, CI-7648)

Dear Mr. Chernik:

The subject discharges are regulated under Order No. R4-2013-0095, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on June 6, 2013.

We have reviewed your November 14, 2018, letter which requested termination of your coverage under the General NPDES Permit. The letter indicated that the construction project has been completed and the General NPDES permit is no longer needed. On May 13, 2019, Regional Board staff visited the site and verified that there is no discharge of groundwater from the facility to storm drain. Since there is no discharge of groundwater from the facility, coverage under Board Order R4-2013-0095, General NPDES Permit No. CAG994004, CI-7648 is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain appropriate waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

A handwritten signature in blue ink that reads "RPurdy".

Renee Purdy
Executive Officer
