August 23, 2005

Ms. Susan Damron
Department of Water and Power
City of Los Angeles
P. O. Box 51111
Los Angeles, CA 90051

Dear Ms. Damron:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – HARBOR WATER RECLAMATION PROJECT, PIPELINE INSTALLATION IN SAN PEDRO AND WILMINGTON, (NPDES CAG994004CI-7929)

In our letter dated April 12, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General NPDES and Waste Discharge Requirements for Groundwater Discharges from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated January 28, 2005, you informed Regional Board staff that the above-referenced project was completed on January 14, 2005. On August 22, 2005, our staff inspected the facility, and verified that there is no discharge to the storm drain.

Since there is no discharge from the site to the storm drain, coverage under Board Order No. R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Jonathan S. Bishop
Executive Officer
