Arnold Schwarzenegger
Governor

August 24, 2007

Ms. Katherine Rubin
Interim Manager of Wastewater Quality Compliance
City of Los Angeles Department of Water and Power
Box 51111
Los Angeles, CA 90051-5700

Dear Ms. Rubin:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT—CITY OF LOS ANGELES DEPARTMENT OF WATER AND POWER, STONE HOLLYWOOD UNIT 4 TRUNK LINE PROJECT, ALONG PACKARD STREET AND OLYMPIC BOULEVARD, LOS ANGELES, CALIFORNIA (NPDES NO. CAG994004, CI-7935)

In our letter dated January 12, 2004, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater From Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

In your letter dated May 16, 2007, you informed Regional Board staff that the above-referenced project has been completed. Since the NPDES permit is no longer necessary, you requested termination of your coverage under the General NPDES permit. On August 21, 2007, Board staff inspected the project site and verified that there is no discharge to surface waters.

Since there is no discharge of groundwater from the project site, coverage under Board Order No. R4-2003-0111, General NPDES Permit No. CAG994004, for the subject site is hereby terminated except for enforcement purposes.

If you have any questions, please contact Dr. James Tang at (213) 576-6696.

Sincerely,

Deborah J. Smith
Interim Executive Officer
