Gray Davis  
Governor

April 2, 2001

Mr. Michael A. Gutierrez  
Southern California Water Company  
12035 Burke Street, Suite 1  
Santa Fe Springs, CA 90670

Dear Mr. Gutierrez:

**COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM PERMIT AND WASTE DISCHARGE REQUIREMENTS – SOUTHERN CALIFORNIA WATER COMPANY, CENTURY PLANT SITE, PARAMOUNT, CALIFORNIA (NPDES NO. CAG994003, CI-8240)**

We have completed our review of your application for a permit to discharge waste under the National Pollutant Discharge Elimination System (NPDES).

Based on the information provided, the proposed discharge of groundwater meets the conditions specified in Order No. 98-055, "General National Pollutant Discharge Elimination System Permit and Waste Discharge Requirements for Discharges of Nonprocess Wastewaters not Requiring Treatment Systems to Surface Waters in the Coastal Watersheds of Los Angeles and Ventura Counties", adopted by this Board on June 29, 1998.

Enclosed are your Waste Discharge Requirements, which also serve as your General NPDES permit, consisting of Order No. 98-055 and Monitoring and Reporting Program No. CI-8240. The discharge limitations in Part E of Order No. 98-055 are applicable to your discharge. In addition, the discharge limitations in Attachment A and Attachment B.7.d are applicable to your discharge. Prior to discharge, a representative sample of the effluent shall be obtained and analyzed to determine compliance with the discharge limitations.

The Monitoring and Reporting Program requires you to implement the monitoring program on the effective date of coverage under Order No. 98-055. All monitoring reports should be sent to the Regional Board, ATTN: Information Technology Unit.

When submitting monitoring and technical reports to the Regional Board per these requirements, please include a reference to "Compliance File No. CI-8240 and NPDES No. CAG994003", which will assure that the reports are directed to the appropriate file and staff. Also, please do not combine your discharge monitoring reports with other reports. Submit each type of report as a separate document.

In order to avoid future annual fees, please submit written notification when the project has been completed and the permit is no longer needed.

We are sending Board Order No. 98-055 only to the applicant. For those on the mailing list, please refer to the Board Order previously sent to you. A copy of the Order will be furnished to anyone who requests it.

If you have any questions, please contact Thizar Tintut-Williams at (213) 576-6752.

Sincerely,

Dennis A. Dickerson  
Executive Officer
