**TERMINATION OF COVERAGE UNDER GENERAL WASTE DISCHARGE REQUIREMENTS FOR
FORMER PIERCE SERVICE STATION
2868 SOUTH ROBERTSON BOULEVARD, LOS ANGELES (ID#900340061) (CI-8588)
(UST CLEANUP FUND CLAIM NO. 7161)**

Dear Mr. Cohen:

We have received a letter dated June 26, 2004, from your consultant, Tait Environmental Management, Inc. (Tait), requesting that we terminate your enrollment under the General Waste Discharge Requirements (Order R-4-2002-0030), for the injection of hydrogen peroxide compound (HPC). In the letter, Tait indicated that the injections were completed in July 2003. No additional injections have been performed and no additional injections are planned in the future.

Since there is no injection of HPC at the site, coverage under Board Order No. R-4-2002-0030 for the facility is hereby terminated.

If you have any questions concerning this matter, please call Dr. Yue Rong at (213) 576-6710 or Mrs. Mercedes Hsu at (213) 576-6712.

Sincerely,
