April 19, 2005

Ms. Muriel Berglund
Berglund Property
2204 Moreno Drive
Los Angeles, CA 90039

Dear Mr. Berglund:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – BERGLUND PROPERTY, TRIANGLE GAS STATION, 2900-2918 RIVERSIDE DRIVE, LOS ANGELES (NPDES CAG834001, CI-8732)

In our letter dated April 8, 2004, we informed you that the subject discharge is regulated under Order No. R4-2002-0125, *General NPDES and Waste Discharge Requirements for Treated Groundwater and Other Wastewaters from Investigation and/or Cleanup of Petroleum Fuel-Contaminated Sites to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated March 10, 2005, you informed Regional Board staff that the wastewater generated from your groundwater remediation project is transported and disposed at an appropriate offsite facility. Therefore, you requested termination of your NPDES permit. On April 15, 2005, our staff inspected the facility, and verified that there is no discharge to the storm drain.

Since there is no discharge from the project to the storm drain, coverage under Board Order No. R4-2002-0125 for the subject facility is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Jonathan S. Bishop
Executive Officer
