Mr. James Velez-Conway
Office of Sustainability and Environment
City of Santa Monica
200 Santa Monica Pier, Suite C
Santa Monica, CA 90401-3126

TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS AT SANTA MONICA MUNICIPAL BUS MAINTENANCE FACILITY, 1620 SIXTH STREET, SANTA MONICA, CALIFORNIA (ORDER NO. R4-2002-0030, SERIES NO. 049, CI-8748)

Dear Mr. Velez-Conway:

In our letter dated May 11, 2004, we informed you that the subject discharge is regulated under Order No. R4-2002-0030 which specifies your Waste Discharge Requirements (WDR).

In a letter dated November 2, 2011, you notified the Regional Board that you ceased Oxygen Release Compound (ORC) injection for this site and that you requested termination of the WDR.

Since the City of Santa Monica has no plans to inject ORC into the groundwater in the future, the coverage for the subject facility, under Board Order No. R4-2002-0030, is hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 or the Chief of Groundwater Permitting Unit, Dr. Eric Wu, at (213) 576-6683.

Sincerely,

Samuel Unger, P.E.
Executive Officer
