December 12, 2006

Mr. Donald Kendall
Calleguas Municipal Water District
2100 Olsen Road
Thousand Oaks, CA 91360-6800

Dear Mr. Kendall:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT – CALLEGUAS MUNICIPAL WATER DISTRICT, BRADLEY LATERAL AND TURNOUTS PROJECT, BETWEEN LOS ANGELES AVENUE AND GREENTREE DRIVE, SOMIS (NPDES CAG674001, CI-8834)

In our letter dated November 30, 2004, we informed you that the subject discharge is regulated under Order No. R4-2004-0109, *General NPDES and Waste Discharge Requirements for Discharges of Low Threat Hydrostatic Test Water to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In your letter dated March 31, 2006, you informed Regional Board staff that the above-referenced project was completed on March 3, 2006. On December 4, 2006, our staff inspected the facility, and verified that you have ceased discharge to the storm drain.

Since there is no discharge from your project to the storm drain, coverage under Board Order No. R4-2004-0109 for the subject project is hereby terminated except for enforcement purposes. If you have any questions, please contact Vilma Correa at (213) 576-6794.

Sincerely,

Chief Deputy E.O.
for

Jonathan S. Bishop
Executive Officer
