Edmund G. Brown Jr.  
Governor

January 9, 2012

Mr. J. Mark Inglis  
Chevron Environmental Management Company  
6101 Bollinger Canyon Road  
San Ramon, CA 94583

**TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS AT 76 SERVICE STATION NO. 5523, 1211 SOUTH VICTORIA AVENUE, VENTURA, CALIFORNIA (ORDER NO. R4-2007-0019, SERIES NO. 077, CI-8912)**

Dear Mr. Inglis:

In our letter dated August 15, 2008, we informed you that the subject discharge is regulated under Order No. R4-2007-0019, which specifies your Waste Discharge Requirements (WDR).

In the letter dated November 11, 2011, you requested the termination of the WDR coverage under Board Order No. R4-2007-0019 because the Ventura County Environmental Health Division approved shutdown of the air/ozone injection system for the subject site in the letter dated September 30, 2011. Therefore, you no longer need the WDR. The coverage under Board Order No. R4-2007-0019, for the subject site is hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact the Project Manager, Dr. Ann Chang at (213) 620-6122 or the Chief of Groundwater Permitting Unit, Dr. Eric Wu, at (213) 576-6683.

Sincerely,

  
Samuel Unger, P.E.  
Executive Officer
