Arnold Schwarzenegger
Governor

April 28, 2009

Ms. Ann Everest, Manager
Venice Beach Partners, Inc.
2452 Wilshire Boulevard
Santa Monica, CA 90403

Dear Ms. Everest:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—VENICE BEACH PARTNERS, INC., THORNTON LOFTS, 619 OCEAN FRONT WALK, VENICE, CALIFORNIA (NPDES NO. CAG994004, CI-9006)

In our letter dated January 25, 2006, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on August 7, 2003, which also serves as your NPDES permit.

In a letter dated February 4, 2009, you requested termination of the subject permit because you have stopped your discharge. On April 17, 2009, Regional Board staff inspected the facility and verified that there is no discharge to surface waters from the project.

Since there is no discharge from the site, coverage under Board Order R4-2003-0111 for the subject facility is hereby terminated except for enforcement purposes. Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters. If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Tracy J. Egoscue
Executive Officer

California Environmental Protection Agency

Our mission is to preserve and enhance the quality of California's water resources for the benefit of present and future generations.
