Arnold Schwarzenegger
Governor

November 15, 2007

Mr. Donald L. Wolfe, Director of Public Works
Department of Public Works
County of Los Angeles
900 Suth Fremont Avenue
Alhambra, CA 91803

Dear Mr. Wolfe:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—LOS ANGELES COUNTY DEPARTMENT OF PUBLIC WORKS, MARINA BEACH WATER QUALITY IMPROVEMENT PROJECT, ADMIRALTY WAY AND PALAWAN WAY, MARINA DEL REY, CALIFORNIA (NPDES NO. CAG994004, CI-9034)

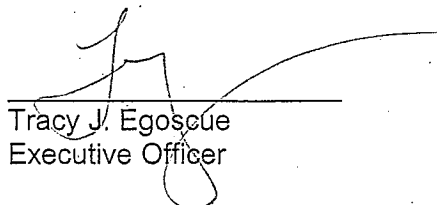

In our letter dated June 23, 2006, we informed you that the subject discharge is regulated under Order No. R4-2003-0111, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Discharges of Groundwater from Construction and Project Dewatering to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, which also serves as your NPDES permit.

In a letter to staff dated August 23, 2007, you requested termination of the subject permit because you have completed your construction project. An inspection conducted by staff from this office on November 8, 2007, found that there is no discharge of groundwater from the site to surface waters.

Since you have ceased the discharge of groundwater to surface waters at the site, an NPDES permit is not necessary and coverage under Board Order No. R4-2003-0111 for the subject site is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters become necessary, you must file a Report of Waste Discharge with this office and obtain appropriate Waste Discharge Requirements (WDRs) prior to discharging any groundwater from the site to surface waters. If you have any questions, please contact Gensen Kai at (213) 576-6651.

Sincerely,

Tracy J. Egoscue
Executive Officer

Mr. Ronald L. Wolf
Los Angeles County Department of Public Works
