Mr. Aramis Vartanians
Magic Gas & Auto
1600 N. Echo Park Avenue.
Los Angeles, CA 90026

CERTIFIED MAIL No. 7000 0520 0024 7128 0316
RETURN RECEIPT REQUESTED

Dear Mr. Vartanians:

TERMINATION OF COVERAGE UNDER GENERAL NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM AND WASTE DISCHARGE REQUIREMENTS—MAGIC GAS & AUTO, 1600 N. ECHO PARK AVENUE, LOS ANGELES, CALIFORNIA (NPDES NO. CAG834001, CI- 9042)

The subject discharge is regulated under Order No. R4-2002-0125, *General National Pollutant Discharge Elimination System and Waste Discharge Requirements for Treated Groundwater and Other Wastewaters from Investigation and/or Cleanup of Petroleum Fuel-Contaminated Sites to Surface Waters in Coastal Watersheds of Los Angeles and Ventura Counties*, adopted by this Board on July 11, 2002.

We have reviewed your June 11, 2007, letter which requested termination of your coverage under the General Permit. The letter indicated that you have completed the groundwater cleanup project and removed the treatment system from the site. Therefore, the groundwater discharge from the subject facility to the Ballona Creek has been ceased.

On June 28, 2007, Board staff inspected the project site and verified that there is no discharge of groundwater from the site to the Ballona Creek. Since there is no discharge of groundwater from the facility, coverage under Board Order No. R4-2002-0125, General NPDES Permit No. CAG834001, for the facility is hereby terminated except for enforcement purposes.

Please note that if future discharges of groundwater to surface waters or land become necessary, you must file a Report of Waste Discharge with this Board and obtain waste discharge requirements.

If you have any questions, please contact Namiraj Jain at (213) 620-6003.

Sincerely,

Deborah J. Smith
Interim Executive Officer
