March 30, 2011

Mr. Steve MacPherson
CHR Property.
210 Alamitos Avenue
Long Beach, CA 90802

TERMINATION OF GENERAL WASTE DISCHARGE REQUIREMENTS FOR CHR CORPORATION PROPERTY, 210 ALAMITOS AVENUE, LONG BEACH, CALIFORNIA (WDR ORDER NO. R4-2005-0030, CI-9146, SERIES NO. 055)

Dear Mr. MacPherson:

In our letter dated September 11, 2006, we informed you that the subject discharge is regulated under Order No. R4-2005-0030, (Series No. 055), which specifies your Waste Discharge Requirements (WDR).

In a letter dated March 10, 2011, you notified the Regional Board that you received a case closure letter for the subject site on December 22, 2008 and that you requested termination of the WDR.

Because the site remediation is complete, you no longer need the WDR. The coverage under Board Order No. R4-2005-0030, (Series No. 055), for the subject site is hereby terminated with the exception of enforcement under the term of the permit.

If you have any questions, please contact Unit Chief of Underground Storage Tanks, Dr. Weixing Tong, at (213) 576-6715, or Section Chief of Groundwater Permitting and Land Disposal, Dr. Rebecca Chou, at (213) 576-6618 regarding this matter.

Sincerely,

Samuel Unger, P.E.
Executive Officer
